

EDUCATION

Master of Interior Architecture and Product Design (MIAPD), 2008
Kansas State University, Manhattan, KS

EXPERIENCE

Peter Marino Architect, New York, NY, 2013 - Present

3D Artist

Work inside a design team of four architects, contributing to design direction and aid in the development of new concept designs for the brand, while working in close consultation with the in-house architecture team at Louis Vuitton, producing over 50 finalized photoreal renders per Louis Vuitton flagship store.

Stores Include: LV Avenue Montaigne Paris, LV Beijing China World, and LV New York Soho, LV Paris St-Germain-des-Prés, LV Maison Vendôme, LV New Bond Street, & LV Maison Seoul.

AJSNY, New York, NY, 2010 - 12

Design Visualization Artist

Worked on projects ranging in focus from architectural to the retail environment. Worked closely with a team in the creation of high-quality architectural visualizations. Focused on creating a uniform feel and look across several projects for the same retailer.

Clients Include: Brookfield, Delta JFK, Denver Union Station, Front Inc, JCDA, Millennium Partners, SOM, and Tiffany & Co.

Neoscape, New York, NY, 2008 - 09

Digital Artist

Worked within a larger team to help the client achieve a specific vision. Developed architectural renders, both still and animated. Participated in every step of the process, from client meetings to modeling, texturing, lighting, rendering, and compositing to final presentation.

Clients Include: Blackstone, Capella Residences, Equity, Sonetta, Tommy Hilfiger, and Trump Royal Suites

M2 Studios, Dallas, TX, 2006 & 07

Intern Digital Artist

Interned in learning the techniques of 3D imagery. Worked on developing my modeling and renderings skills.

KA Wendt Construction, Leavenworth, KS, 2003 - 08

Framer and Carpenter

Worked the full range of construction from pouring concrete foundations, to framing walls to finishing tile floors, hanging drywall, and installing windows and doors.
